OFF MY CHEST
Editor's Notes

*Oh man, do we have a tit-packed issue for you guys this month. Truthfully, I feel strong about each issue I put together, but this one is over-stuffed like Rhiannon's size small sweater. Not only are covergirl **April McKenzie's** boobs a pair on the most incredible natural wonders, but she also loves the cock, and is more than happy to show us all, just how much. **Dolly** was a past cover girl. She was getting fucked in that issue and she's at it once again in this one. Her bouncing boobs are stupendous. One of my all-time favorites is back for your stroking pleasure. **Harley Raine** has always been a lot of fun to shoot. In fact one time with Rhiannon and her in the studio together, things got a little out of hand... but in a good way... well actually, a great way. There was a bit of alcohol involved, and some pussy licking and cock sucking and fucking... but I digress. And we did happen to get it all on video, available at sweetnevilvideo.com. I don't get in front of the camera very often, but sometimes you just have to take one for the team. **Danielle Derek**. I actually discovered her when I was doing a magazine called Cleavage. She was a member of the NJ Bikini Team (no, really), when I first brought her in my studio. At the time she was one of the hottest models I had ever seen. She was virtually perfect. Her tits were incredible, her ass was tiny and her face was cute as Hell. She would barely spread her legs. Soon after that she went to LA and the next thing you know she's doing anal. But, as is always the case, I got her first. I printed her first ever. I printed her first XXX set and I also was first to shoot her when she got her new boobs. I've been with her every step of her career. The pictures in this issue are from our very first shoot together. I think you'll agree with my initial assessment. **Rucca** and **Sunny** were shot last year during my Vegas excursion and they seemed to really hit it off. As I always say; "There's no such thing as bad girl/girl!" **Jessica** was the nurse when I went in for a check-up. My favorite part was when she told me to "Turn my head and cough." No, just kidding. I shot her in my studio. It originally was a fetish studio, so I have all the stuff still lying around. Nice thought though. Speaking of fetish; **Krissy** is just fucking hot, in a dark, kinky, evil sort of way. Another discovery of mine was **Victoria Valentino**. The very first time she ever got in front of a camera was two years ago in Vegas. She came into the house that I was renting with another first timer. I shot a solo set on her and also her first girl/girl. She has since become quite comfortable in front of the camera. She does mags as well as video. Here for your viewing pleasure, she is demonstrating the proper way to handle a cock, both with a mouth and a pussy. She appears to be very adept at either. And, she looks smokin' hot while she's doing it. When it cums to huge, natural tits, **Heidi** is on the top of that list. There is really nothing more to say. Her boobs are true works of art. Another girl that loves to get her pussy pounded is the gorgeous **Kate Frost**. Kate, although being a bit ditzy is a sweetheart and a lot of fun to shoot. Her tits are great too. That's the pictorials, but of course, there's so much more. **Amber FoXXX** is up to no slutty good in FoXXX on the Run. **Rhiannon** puts her big tits to great use in Breast Of Times. Steve Nelson features "All The News With Tits" in The News Rack. And **Jenaveve Jolie** gives us the lowdown on what made her get into porn in Confessions of a Big Tit Slut. That being said there is still so much more. Bringing you each issue every month is my passion. I love what I do because when all is said and done... It's All About The Boobs!*

Fury@AntonFury.com AntonFury **Editor**

TALE OF TWO TITTIES...

Anton & Rhiannon,

Just wanted to drop you a quick e-mail letting you know that you both have done a fantastic job with the recent GENT issues (May-Aug 08). Some of my favorites so far have been: Sheena De Janiero, Michelle McClaren, Sloan Ryder, Summer Sinn (very hot), Sandy Beach, Brandy Talore & Misty Vonage. I have had the good fortune to find a bunch of Gent back issues (36 in total) from 1994-2006 at a local adult book store here in Atlanta GA, so I have seen the "Genesis" of Gent magazine over those years and like both of you I miss the "good old days". I like the direction that Gent is taking with the release of new models in every new issue. My question posed is this: are we ever going to see some new pictorials/ lost photos archives of " established " big-boob performers such as Lovette, Kim Chambers, Holly Body, Wendy Whoppers, XXXena to name a few in future Gent publications. With this new myspace craze, it seems that contacting these models is easier in this day and age. Deena Duos has made a spectacular comeback in Gent and Minka is always a great edition to any issue that you put her in. I know that you do not want to over use the models, but it seems that there is a very big pool of talent to choose from, it would be great to see a bigger mixture of rising stars and established performers. I also have a request for a future Gent pictorial, I would like to see a layout that feature Rhiannon & Raven Black together, I had the privilege of seeing Raven Black in person and I think attitude wise (kinky & wild) that Rhiannon & Raven would make a good fit. Also, please bring back Mia Starr & Holly Halston in future issues. Thanks again for taking time out to listen to my thoughts and keep up the great work on Gent.

Sincerely,

James Spitz

Dear James,

Thanks for the supportive words. As I have said before; Gent is a "labor of love" for both Rhiannon and myself. Of your favorites, I have new sets on each of them, so you will be seeing more. That includes Mia Starr and Holly Halston. Of the established, my all-time favorite Wendy Whoppers, is long since retired. I worked with Xxxena years ago and have been after her to shoot some more, but she says she's really not shooting any more, but I will keep trying. By the time you read this, I will have made my annual trip to Vegas and shot more of Minka and Deena Duos. They are already on the schedule. I'll have Rhiannon contact Raven Black and see if we can make that happen for you. Keep watching!

Anton the Blessed

Dear Rhiannon,

I've really enjoyed Gent since you got on board a few years ago. You do have a great mix of big name models and newer up and cumming models, both with implants and naturals, white and black. I enjoy the solo layouts, the hardcore content, and the DVDs

24063

PUMA SWEDE NOVEMBER 2008

ALEX MONROE & ELLE CEE NOVEMBER 2008
24065

24071
ROXY & JENNAH JAY NOVEMBER 2008

24070
DAWN MANE NOVEMBER 2008

24068
HAILEY HEART NOVEMBER 2008

that are included. I'd love to see Maria Moore in a hardcore layout in a future issue or Chelsea Charms in a solo spread. There are so many great models out there and only so many pages to fill each month!
Andy

Dear Gent,

I love big tits. Where are you finding these hot bitches? I love them all. I don't know what made me a "tit man", but I always have been.

I met this girl at a bar last night. When she walked in the place, every head turned, to get a look at her over-stuffed shirt. The buttons of her blouse were all being tested.

I knew if I didn't get to her quick, someone else would. I moved up next to her and asked her if I could buy her a drink. With a smile, she accepted and turned to talk with me. I wasted no time telling her how hot I thought she was. Of course, I was having a Hell of a time talking my eyes off her bulging rack. She obviously couldn't miss that. She grabbed my hand and pulled me back toward the bathrooms. She took a quick look around and quickly pushed me into the ladies room.

She locked the door and dropped to her knees in front of me. She unzipped my pants and pulled out my throbbing cock. As she swallowed it down, she unbuttoned her shirt allowing her incredible boobs to pop free.

She let my meat slide out of her mouth and flop between her soft, mushy funbags. She spit between them and used her hands to wrap the tit-meat around me. I pushed forward until the head popped out of her cleavage, which she sucked into her mouth. I pulled back until the head disappeared and then quickly pushed forward again. I started to pick up speed as I felt the baby-batter churning in my balls. There was no turning back now and my cock began to spit it's lava between her tits and into her mouth.

I blew 5 or 6 ropes of cream out and my dick slid easier through the splooge. Some went into her mouth and the rest gathered in her titty crevasse. At last, she wrapped her fist around my shrinking member and sucked it into her mouth as the last few drops oozed out.

She leaned back and let my cock fall from her mouth. I fell back onto a chair, gasping for air. She smiled up at me as she held her big naturals to her mouth and sucked them clean. She quickly buttoned up her shirt and before I knew it, she was out the door.

It finally dawned on me where I was and I beat a hasty retreat and got out of there. I didn't see her the rest of the night, she must have gotten all she needed and hit the road. Man, I love big tits!
Randy, Aurora, CO

Randy,

It's fucking great when that happens. A few years back when I was playing in a rock band, there was a girl dancing right in front of me. She'd lean forward and pull her shirt out so I could see her big tits. Then she'd lift up hen mini-skirt to show me her little panties.

After the set was over I was at the bar talking to my manager when she came up next to me and without a word, started rubbing my cock through my pants. My manager hastily excused himself and I took the chick by the hand and escorted her outside all the while sucking face, squeezing tits, rubbing cock and pussy.

We got about 100 yards down the street and fell into a pile of leaves in somebody's front yard. She pulled down my pants exposing my hard-on, pulled up her skirt, pulled her panties to the side and jumped on. As she was riding my rod, I pushed her shirt up to get a shot at those bouncing tits.

As I drove my cock up into her, I tweaked her pert nipples. It only took a few minutes of passionate pounding before she came all over my throbbing cock. As soon as she was finished I pushed her off me, stood up and deposited my load all over the aforementioned tits. She brought my dick to her mouth and sucked the last few drops out. As I pulled up my spandex she rubbed my hot goo into her big boobs. I got back just in time to start my next set and never saw her again.
Anton the Horny

AMBER FOXXX IS OUR RESIDENT BIG-TIT ABOUT TOWN. SHE HAS NEVER MET A COCK SHE WON'T SUCK OR A PUSSY SHE WON'T LICK.

Foxxx on the Run

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

PHOTOS BY BIG DICK JOHNSON

Of all the things that I do, it seems like what gets me hottest is the chance that I might get caught being naughty, and the best part about getting caught is the chance that I will get fucked! I have been taking chances for a long time now, but I never have been lucky enough to have a stranger catch me and take me, at least, not until now... I was hanging out way up in northern Minnesota, of all places, when I decided to take a little drive, late at night. I went up into some high hills that overlooked the city and found a public overlook area where I could take in the beautiful night sky and cityscape. The lights were flashing below me, and the only other car around was full of loud and obnoxious guys that were probably in their early twenties.

I was getting annoyed by them, but before too long my mind started wandering to what would happen if I were to stand in front of their car and pull out my massive fun-bags and show them off. My mind started wandering, and soon so did my fingers down to my now dripping snatch. I drifted off into my imagination of how it would feel to get gangbanged by them, to be used up and sent away without even thinking about it. I pulled on my clit from underneath my skirt, and felt my pussy getting hotter and hotter. I hoped they would notice me so I could get some real cock to replace my fingers, but when I looked up out of my first self-induced orgasm, the car was gone.

I was disappointed that I missed out on what could have been a good time, but decided to make some lemonade out of the lemons. I slipped out of my car and decided to get some self-pleasure out of the situation. The night sky was dark and there were no sounds to be heard, other than the peace and quiet of a serene evening. I was about to change

that though, as I was all worked up and all by myself! I was in desperate need of some release, so I released my bouncing boobs into the night air. As my tits fell forward out of my bra, I pulled and tugged at my nipples, and moaned out.

I startled myself as I heard my own voice splitting the silence, the moans the only sound coming to my ears. I grabbed harder at myself, to the point of my nipples getting very sore and tender. I was desperately working at getting myself off, my mind racing with nasty thoughts of being used and taken. I leaned back against the stone wall and pulled my skirt up to get good access to my steaming hot cunt. My fingers were doing their work, spreading my lips to be split apart with my digits. I jammed three fingers up inside of myself, trying as hard as I could to get satisfied.

Just when I was at my peak of excitement, an unexpected sound came to my ears.... the clicking of a camera – it seemed I was not as alone as I had thought! I hesitated before I opened my eyes, I was nervous as to who could be there – was it a police officer documenting my public display, or that creepy guy I met in the gas station earlier?

I kept playing with myself as I raised my head, and finally got the courage to take a peek. I was pleasantly surprised to see not only a good looking guy looking back at me through the camera, but that he had his cock out of his pants as well! I am not one to let a hard cock go to waste, so I motioned him over to do more than just watch me. To my surprise he never set the camera down, taking pictures even as I took his stiff rod into my mouth.

I sucked him deep into my throat and pulled him forward until his cock hit my gag reflex, kicking my head back and forcing his dick back out of my mouth. I shoved

my head back forward, engulfing his member again, wanting to taste every inch. Feeling it down my throat just wasn't enough though, there was another place I needed it much more, so I pulled my head back to release him from my mouth.

As soon as he was free from my mouth, I laid back and pulled him forward to sheath his cock into my snatch. I felt his cock fill my pussy and groaned out, the feeling of being fucked taking over my senses. I rocked back and forth on the wall, getting every inch as deep as possible. I felt his cock throbbing and rocking, and as it pulsed I felt my snatch gush with my own juices.

He was thrusting forward and pounding my cunt, and I reached down and massaged his balls. I could feel his hanging sack tense up, and I knew my favorite part was coming up soon, so I pulled back so I could watch the results. I fell to my knees, and just as I got to eye level with his one eye, it exploded with creamy cum all over my face. I took the first shot directly in my eye, and I was momentarily blinded by the sticky seed covering my face. I licked around to get that salty sweet taste onto my tongue and swallowed down what I could get.

I reached up and cleared my eyes, but I was only in time to see the taillights of the car as it took off into the dark night. I am still not sure who he was, but just the other day I got these pictures in my e-mail box… I can only assume it was one of my loyal readers from Gent, so to whatever your name was, thanks for making one of my fantasies come true!

Keep on cumming!

Rhiannon's

Breast Of Times

With my black hair and extremely white skin people have always called me "Elivra" and "Vampira" and said that I fuck the dead. Well let me tell you, the people that I fuck are far from dead. It doesn't matter in they're guys or chicks, they have all been very much alive. There has been a lot of blood, but it always tended to be circulating in the penile region. Sure, I love the night with the dark sky and full moon. It's pretty obvious that I'm not much of a sun worshipper. I even have a cemetery in my front yard with 9 granite tombstones. There's not anybody buried there, except for a couple of my snakes, but it does promote a lot of questions from UPS guys and anybody else that travels up my long driveway.

The pictures on these pages were taken at a cemetery that is set up on a hill in a small town in New Jersey. The newest grave in the place is from the late 1800's. On one side are the remnants of a church. All that's left is the front and rear stone walls. Every thing else is long gone. In fact, there are oak

23481, 24297

trees growing out of the middle of it with trunks at least 3 feet thick, so you know the church has been gone for at least 100 years.

Anyway, so my photographer and I had heard about this graveyard and decided to take a trip to see it and shoot a few things. When we saw it, we both were doing back flips. It was so old and so incredible. He got his lights set up and we blew off a few rolls of film. Unfortunately, it was late afternoon in September, so the sun was dropping quickly.

As we shot, I found myself getting all worked up. The more I moved around on the stones, the drippier my pussy became. By the time we had lost the light, my pussy was really needing some attention.

As the photographer finished packing up, he turned to me just as I was running a finger into my needy slit. From past experience, he knew where I was going and quickly dropped to his knees, diving between my spread thighs. His tongue didn't miss a beat as it lapped at my pulsing clit, sending sparks through my entire body. I spread even wider and placed both hands on his head, pulling him in tighter. He sucked on my clit as his tongue shot deeply into my hot hole. His hands went around me and cupped my tight cheeks, lifting me to his mouth. I lay back onto the granite stone, feeling the coolness through the lace of my dress.

As I was on the verge of cumming he stuck 2 fingers deep into my creamy gash, sending me over the edge into my first cum of the day. My entire body vibrated and convulsed on the footstone that I was lying on.

After I stopped shaking, he stood and pulled me to my knees. By the time I was upright, his big hard cock was exposed and bobbing in the night air. I immediately wrapped my fist around it and swallowed it to the root. His pre-jiz trickled down the back of my throat. I sucked him for a minute or two, but quickly pulled away telling him that I needed my cunt filled. He pulled me to my feet and leaned me over a tall stone. Without testing the pussy waters, he sunk every thick inch all the way into my hot twat, taking my breath away. That was fine with

me, and exactly what I needed. As he took hold of my hips and repeatedly plunged forward his balls slapped my throbbing clit. I was in Heaven, or it could be Hell, either way, my pussy was on fire. I pushed back onto his spear as hard as he was pumping into me. It was so fucking hot. I've never felt so evil and dirty before, and I was loving every thick, pulsing, pounding stroke. The cunt cream was running down the inside of my thighs in buckets. His cock was stiff as a corpse, but he was far from dead.

I reluctantly pulled free of has tombstone and had him lie down on the same footstone that all these shenanigans started on. By the time his head hit the stone, I straddled him and sunk down on his grave marker. It split my slit easily and I bounced up and down, slamming my ass onto his thighs. He took hold of my hips and drove his own up into me to meet my every stroke.

My eyes were closed in ecstasy as the cum started to build deep in my belly. There was no stopping me now. Again, my body began to shake uncontrollably. He kept driving up into my begging cunt as I started to moan and shake. My pussy was throbbing around his pistoning cock. My pussy lips were stretched tightly around his thick shaft. I was cumming, losing track of my surroundings. I just kept bouncing myself to one orgasm after another.

When I couldn't cum any more I felt the cock I was riding began to swell. I jumped off and fell to my knees beside it. I wrapped my big tits around it, just as it began to shoot. Ropes of juice blasted forth, completely filling my deep cleavage. I wrapped my fist around it and pumped the last few spurts off into my open mouth. I swallowed him down again into my throat, milking all I could from his creamy spigot.

Once he was drained, I weakly fell back against one of the stones. By now the sky was totally dark, with nothing but a full moon casting shadows all across the perfect setting.

I never thought "Vampira" was an insult anyway.

BUSTED!

WRITTEN BY OLIVE TAGIVHEAD ILLUSTRATION BY AARON WARNER

It wasn't the first time I got pulled over. In fact, it wasn't even me who got pulled over. Chad Denny had a "Fuck Me" car. At least that's what I call them. If you got the right car, you can fuck me! Ferraris, Maseratis…any guy can have his way with me. Any way, at any time, and in any position! Just rev it, punch it, and watch my legs spread so you can pound it! With an engine opened wide enough the seats jiggle, my pussy tingles and I have to have it then, there, and fast. I've always creamed over fast cars.

Chad lived down the street from me and I totally didn't care until I saw him drive home from college with his new Porsche. Whatever, right? But this was the 2004 James Dean Limited Edition Boxster S. Only 1,953 were ever made. The 264-horsepower, 3.2-liter flat-six engine will fuck me at 62 mph in 5.7 seconds! And tonight was Chad's lucky night.

I pulled my panties down and left them on my bedroom floor, rubbing my clitty into starting position as I slapped some make-up on and dashed out the door towards Chad's house. We had gone to the same school together, but I never knew he had the kind of money to get a car like this. What a prize to add to my collection!

"Hi, Chad," I said as he opened the driver-side door, getting out of his pussy magnet. "How long have you had this car?"

I didn't care. Less than two minutes later he was wide open on the interstate and so was I. The night air raced over me and the vibration of the low frame at 120 mph had me wiggling in my seat. Without my panties on I eased my hand up my skirt and massaged the folds of my twat. My moist hole wanted me inside, so I slid a few fingers in to get it hungry for something much harder yet to come. Namely Chad! He saw what I was up to and whipped the car onto an exit ramp at 73 mph. As we slid around the tight curve, struggling to stay on the pavement, my breasts struggled against gravity, pulling the fragile plastic closure between my shoulder blades until my massive melons won, snapping the flimsy clasp apart. I threw my blouse over my head as Chad straightened out his car, and his cock I'm sure.

It was pitch black as far out as we were, and he fired the "Little Bastard" up to 95. The only car out this side of the city. My bra lay on the floor and my skirt was up to my waist and I turned in my seat so my hair tangled and twisted out the open window. With one leg on his headrest, I rested my right leg across Chad's lap and footied his massive cock through his pants. His eyes darted from the road to my pink pussy as I fingered myself and nestled my twitchy thumb against my clit. It felt so good to have the night air rush over my warm cooze and cool my hot and horny hole. I could barely see Chad gaze into my gaping pussy as my big tits mushed up into my face. The soft flesh of my titties warmed my face and the cool air teased my erect nipples until they felt as though they would pop.

I craved something bigger up my sloppy twat and wedged myself against the gear shift with an end of the grip penetrating my folds and entering me. The firm handle hurt and was wider than me until I forced my tight pecker hole to take it.

Fucking myself like this enabled me to release Chad's own knob and I began stoking his hard dick in my warm hand. I pinched and pulled my hard nipples and fucked the shifter, wanting to come in a beautiful spray all over the car and Chad's face. My big boobs mushed together and the cleavage spread all the way up to my mouth. Chad's cock was way hard and I jerked him off as I played with myself and rode my rubber lover. Third gear had me so close to coming.

I don't even know where we were but Chad didn't slow down. It made me crazy that his hands never left the wheel and all I wanted to do was get fucked! I moved so my face engulfed his stiff penis and my naked ass was in the air. The speeding breeze teased my tushie and my pussy tickled from the immediate chill. I sucked his pecker down, deep throat style, all the way to the balls than back up again, stroking him off as I went. The car was fucking hot and my cunt was begging for a good cock fuck. With his big dick nice and hard and ready to squirt at any moment, I climbed up between his arms and slid the raging meat into my cunt. There was no time for slowing down and I bounced up and down on that prick as it speared my wet hole and fucked this girl good! My big tits bounced and jumped into his face, smacking his cheeks and forehead, nipples rubbing against his shirt collar making me sore.

"Suck my tits, baby. Suck my titties," I begged as he popped a big nipple in his mouth. "I want you to come in me, baby. Come hard in my pussy!"

I rode his cock fast and hard. Sitting with all my weight on his massive member, then sliding up until it nearly fell out of me, then slamming my coochie back down again until my ass split and I could feel his balls rub on my little asshole.

As the car rocketed through the night air, my lover shot his healthy load straight up my pussy tube and I felt it's warmth coat me all over inside before shooting another hot wad further and deeper into my steamy cunt. My cooch swallowed all he had and I squeezed his balls to coax one last squirt of thick, hot spunk from his throbbing cock and into my creamy hole.

"Yeah, baby…yeah. Fuck my pussy. Fuck me and come in me, baby."

He finished inside me and I slid off his lap to collapse in the leather passenger seat as his dick cream puddled underneath me. I cuddled up next to him and whispered in his ear that now it was my turn as I stroked his long cock for more, begging him to pull over and make love to me on the hood. That's when the lights started flashing and the state trooper wanted Chad to pull over also.

With no panties, no bra, and my blouse somewhere down M-43 I was surprised I wasn't more embarrassed being escorted to the backseat of the police cruiser half naked and still searching for my I.D. The seat was sticking to my naked ass as the officer turned the modified Crown Vic around, heading back into town, at which point I couldn't resist asking, "How long have you had this car?"

CONFESSIONS

Of A Big-Tit Slut!

FEATURING JENAVEVE JOLIE

I've been a pornstar for a few years now. Growing up I got a lot of attention from guys. I still managed to stay a virgin until I was 18. Not that I didn't have sex, just that I didn't allow anybody into my pussy. I loved sucking cock and getting licked, but I never allowed any penetration. I was a very horny young girl…still am.

After I graduated high school I decided that it was time to give it up. I met this guy at a party and there was immediate attraction between us. After a couple drinks and a lot of chit-chat the chemistry was molten and we ended up in one of the bedrooms.

My pussy was dripping in anticipation. As soon as the door slammed shut I fell to my knees and dropped his pants to the floor. Obviously, he was as hot as I was, because a huge pulsing cock jumped into my face. I wrapped my hand around the base and swallowed what was left over. I slurped and sucked on that beast until he was ready to blow down my throat. Before he lost it, he picked me up and carried me to the bed. He quickly peeled off my thin sundress and dove into my gooey snatch. He pushed my knees up as far as they would go and speared my open slit. He licked me through a couple good orgasms. As I was settling down from the last one, I decided that I needed to get my slot filled.

I pulled him up on top of me. His bulbous cock-head touched my swollen lips and he eased forward. The lips were stretching around him as the thick shaft slowly slid in. I felt a slight pop as he continued filling my hole. It didn't hurt at all, in fact, the deeper he went the better I felt. My pussy was craving all the meat he had to feed me.

My knees were still pulled back to give him full access. And full access is what he took. Once his balls slapped my ass, he picked up the pace. He pulled out and than slammed all the way back in, taking my breath away. I had waited so long for this that I could barely breath. While fucking me, he reached both hands under my ass, lifting me up to allow for even deeper penetration. Our bodies were covered in sweat as we moved in perfect unison.

The veins of his thick member were scrubbing the inside of my cunt. My pussy was so soaked that the room was filled with sloshing sounds…along with the sound his balls made as they slapped my ass.

On every stroke his groin came into contact with my throbbing clit. It only took a few minutes before I exploded into a great big cum. This was the first time I had ever cum with a cock pounding my

slit. It began deep in my belly and worked its way up to my pussy, until I was screaming. I don't know how he managed to stay on top of me with the way that I was bucking around.

He pulled his cock out and rolled me over onto my hands and knees. Without missing a beat, he plowed his shaft right back into my begging twat. He took my hips in his hands and pulled me back in concert with is forward thrusts. My face was buried in the pillow as he relentlessly fucked me within an inch of my life.

His cock was able to get in even deeper than it had previously and my pussy was loving every single inch of it.

He reached underneath me to get a grip on my swinging big tits. He pinched the nipples between his fingers, sending sparks straight to my pussy. I could feel another cum brewing and knew it that it was only a matter of seconds before I shot over the edge once again. I tried to hold back, but it was no use. I bit down on the pillow to try to muffle my screams.

His pounding was relentless, and I could tell that there was no way that he was going to stop before he got his this time, so I just let go and fell into a delirious cum. I lost all track of my surrounds. All I could feel was the big cock filling my gaping cunt, and that's all I needed. Finally, I collapsed.

I felt the vacant feeling of his dick leaving my pussy and then he rolled me over onto my back. His cock-head parted my lips just as he began to shoot. I opened my mouth to allow him to sink deep down my throat. The blasts of cream splashed in the back of my mouth and were quickly swallowed down to allow for the next blast. I had sucked many a cock before, so I knew what I was doing here. I wrapped my hand around his pulsing shaft and jerk it as I sucked out every delicious drop. After I had had enough protein for a complete three-course meal, his dick began to shrink up. At that he pulled away and fell down beside me. Both of us were breathing hard, so we just lay there without saying anything.

While thoughts of what had just happened ran through my head I concluded that I really liked sex. I liked sucking dick and getting my pussy licked before, but now I knew that I also liked to get fucked. I decided that since I wanted to now experience all types of sex, but didn't want any type of serious relationship, I would look into porn. Obviously, it didn't take me long to make a definite decision on a career choice.

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

ANJELICA LAUREN

I caught up with Anjelica at the Tampa Show before the Nightmoves Awards early October, 2007 and talked with her in her motel room. She was there with her roadie, Will Bangya, relaxing at the onset of a busy week of caravanning around to all the appearances the Tampa Show is famous for.

Anjelica is involved with a new website FreshOffTheBlock.com which has scenes she's directed and starred in. The site also has scenes with other girls like Veronica Rayne, Ice LaFox, and many other beautiful and tanned stars. "My creativity has let loose on this one," says Anjelica, "I like to give directions and be daring and nasty."

Anjelica is also shooting for companies like Club Jenna where she appears in "MILF School". This title will be seen on Playboy channel and hotels around America too.

Anjelica is also a singer. She would like everyone to come see her music page on MySpace (MySpace.com/AnjelicaLaurenMusic) and is doing a lot of sportswear modeling for a lady from Australia. "I'm dipping into a little bit of everything," she says, "I did a bachelor party last week, car shows too!"

Ms. Lauren resides in South Carolina but travels anywhere. She loves to meet her fans so join her website and get special benefits - one of which is getting to meet her up close and personal! And after taking a look at her pictures you will agree this girl has a body built for fucking! Message her at MySpace.com/AnjelicaLauren to contact her in person and book her for scenes and feature dancing.

DELOTTA BROWN AGAIN

Delotta Brown stopped by the Adult Industry News office yesterday to get the word out about her upcoming plans. She's now scheduling a cross-country tour to visit Chicago, Philly, Boston, New York, and down south to Alabama, Mississippi, New Orleans and Texas to see her fans. Any fans with city and state suggestions can help plan her schedule by writing to her at MySpace.com/DelottaBrownDamnit.

She's trim, fit and sports a pair of marvelous boobs. It was great to see her again and I was able to give her a few copies of the September 2007 issue of Gent Magazine containing the MiniView I did of her back then. Hopefully she will stop by the offices of Gent Magazine back in Paramus, New Jersey on her travels and knock out a few sets with Editor and Master Photographer Anton Fury.

Delotta's website is still under construction while she's gathering content for it. She showed me a disk of some great pictures she had just taken the other day with her in a blonde wig and lingerie. She wants to create a project that she can put her whole heart and soul into and is taking the time to do it right. The word is out she's looking for sponsors and silent partners for e-commerce on her site.

As far as content - humiliation, punishment, and golden showers - Ms Brown is looking for slaves. She wants to film fun stuff like the first adult movie she ever saw, ''Body Girls" starring Hyapatia Lee. Contact her at the email address below if you want to get involved.

Delotta is also available to shoot for other companies. She won't say "no" to anything - ''Except maybe an 8 guy bukakke... unless I'm peeing on somebody," she laughs! Delotta also plans to return to dancing, and exotic and mainstream modeling.

Delotta's like a chameleon. It appears she can re-invent herself at will. She's learned to beware of negative forces in her life and still conduct herself in a healthy, professional manner. She knows what she wants and has the drive to get it!

Shooters and fans can reach Delotta at her new email DelottaBrown@Lycos.com. For additional information on Delotta look on Adult Industry News at AINews.com.

TIT BITS

BENEFIT PRODUCTION UNIFIES INDUSTRY - HENRI PACHARD DYING OF CANCER.

Once in a while an event will come along that is significant in one's life. A crossroads, a milestone, a plateau if you will, that one regards as a satisfying achievement and worthy of pride. The "We Are The World XXX" shoot this past June 11 and 12 was one such event for me. I had the privilege of serving as Head Production Assistant.

I met Henri Pachard back in 1992 when my now X-wife, Vicki, and I were extras on the set of a John Leslie film "Anything That Moves". Henri was the PA (production assistant) for John on that shoot. I saw Henri in action back then, helping a friend on his production.

Then, in 1993, Vicki and I were extras on the set of "Sex Ranch", shot at Henri's house in Van Nuys. It was a hot day and we would sit on the patio in the shade in the back and talk while the air conditioner cooled the house and whisper quietly when it went off and we heard "QUIET... ACTION!"

I got to know Henri as a good-natured, energetic, creative man who was always genuinely interested when he talked with you. Two examples of his humor that stand out in my mind were his chastisement of Vicki for wearing pantyhose on a porn set, and the time at the Night of the Stars - a formal affair - where Henri emerged from what I thought was a solid wall of shrubbery next to me, wearing a tuxedo, while I was standing there talking to a starlet and exclaimed in Vaudvillian-fashion, "Where the hell's the bar in this place!"

Now Henri is dying of cancer. The call went out in early May, 2008 when Mark Kernes of AVN alerted the adult community that Henri was having trouble with the bills that frequently mount during a serious illness. Amber Lynn read the call for help and resolved to gather those among the family of X who had been influenced by Henri and give something back. And there is literally a legion of people positively affected by Henri Pachard, wanting to give back.

Thus was born the idea for the movie "We Are The World XXX" with the sole purpose of raising money to cover the bills for Henri Pachard. Everyone involved donated his or her time and talents. As Amber said, "We did a one hundred fifty thousand dollar movie on a $1.98 budget".

Produced by Amber Lynn and Bill Margold's Protecting Adult Welfare Foundation, "We Are The World XXX" credits some of the greatest adult stars of all time with appearances and cameos by Georgina Spelvin, Ron Jeremy, Porsche Lynn, Randy Spears, Stephanie Swift, Cara Lott, Ona Zee, Paul Fishbein and Larry Flynt to name a very few. Behind the cameras were other notable greats, as well as a "who's who" of technical staff.

The movie is an actual portrayal of the call to arms and rallying of the Industry to the aid of Henri in his time of need. Scenes were donated by legendary talent and directed by top names in the Business. Amber Lynn was director of the project with segment directors, directing their own scenes, Brad Armstrong, Ron Jeremy, Porsche Lynn, Michael Ninn, John Stagliano, and Paul Thomas.

Please buy this movie when it streets, to support Henri Pachard. Those wishing to donate directly to Henri please make the checks payable to Henri's real name, Ron Sullivan, and send to:

NAPALI VIDEO PRESENTS
The Ultimate Busty
RHIANNON

You don't get many opportunities to see Rhiannon on video, so when you do, it's a special event. Napali Video has always been one of my favorite producers, because they are all about the tits and nothing else. Back in the golden age of fake tits my favorite models were Wendy Whoppers and Tiffany Towers. They made tons of XXX, but all I was interested in was seeing them expose their boobs. Once the shirts came off, so did I. That's what the Napali line is all about so they are perfect for me.

The first scene was Rhiannon putting on quite the little strip tease in her bathroom. I have to admit, by the time the first button came down to expose her overstuffed bra, my cock was already straining to be set free. And it just got better from there. There has never been a model with a body like hers. It's quite spectacular with her tiny ass and huge cans. Add to that that she's not exactly a dancer, but more a strutter and my dick just continued to beg for release.

If that's not enough, she then jumps into the shower. Now, there's only one thing I love better than big naked tits and that's big, naked tits with liquid running over them. In this case water, but chocolate syrup, Champaign, motor oil or Jello shots will always work as well. Needless to say this 20-minute clip is fucking hot!

Other highlights of this group of models are Ebony Goddess Sandy Jackmon. She's got some body of her own. She's tall and lean with a nice round butt, just begging to be smacked.

Abby Brooks starts her scene in nothing but a towel, which seems just about perfect. She writhes and teases for what seems like 10 minutes, when actually it's only about 2. But I couldn't wait to get a load of her natural knobs. She actually took things a bit further. She couldn't seem to keep her hands off her pussy. Again, my cock was begged for release, but I was playing "hard to get".

When I saw Gent model Alisandra on the box

cover I was really excited. I became a fan of hers when she was featured in Gent recently, so I was really loking forward to seeing her in action.

I was not disappointed. She's at the make-up table getting ready for her shoot. In reality, she's already dressed and now taking it off. I love this chick. She' in garterbelt and stockings and looked so damn hot. Her entire look just says, "Fuck Me!"

My response is, "Yes, please!"

There are a few other girls, but things really explode in the final scene (my cock, I mean) when Rhiannon tests the strength of a hot pink Lycra tube top. The top was begging to come off, as was my dick. She put on just as hot a show as her first scene, playing with her incredible boobs and rolling around on the floor. I was just pretending that it was I that she was rolling around on. Two strokes later and I've got quite a mess to clean up.

If tits are your thing, and obviously they are, since you're reading Gent, you're going to get a lot of pud-pounding pleasure out of The Ultimate Busty Rhiannon. It's a boob lovers dream DVD. DDD-CUP
